Introdusaun

Husi restaurasaun idependesia, ita realiza ona Sensus tolu. Dauluk iha 2004, tuir fali iha 2010 no ikus liu iha 2015.

Sensus hanesan ezersisio koleta dadus importante ida iha Timor-Leste tambá koko foti dadus husi sidadaun Timor-oan hotu relasiona ho sira nia kondisaun moris no desenvolvimentu. Iha 2010, Ministeriu Finansas (MF) desidi katak hafoin koleta dadus tomak husi Sensus, ita tenke fó fila fali ba ema hotu ne'ebe hola parte iha prosesu ida ne'e. Ema presiza hatene sira nia estatistikas. So hanesan ne'e maka sira bele hola parte iha tomada-desizaun ka informa diskusaun iha sira nia prosesu desenvolvimentu rasik. Nune'e, iha 2011, ita publika relatoriu dauluk *Sensus Fo Fila Fali* (SFFF).

Timor-Leste hakat dok ona desde ke ita restaura ita nia Ukun-aan. Timor-oan sira interesadu tebetebes iha desenvolvimentu. Ema hotu hakarak hola parte iha prosesu desenvolvimentu. Relatoriu Avaliasaun kona ba Sustantabilidade Dezenvolvimentu Ekonomiku 2016 ne'ebe fo sae iha Forum Ekonomiku Mundial hatete katak Timor-Leste hetan fatin 7 iha nasaun 160 nia laran kona ba progresu makaas ne'ebe Timor-Leste halu hodi transforma nia kreximentu ekonomiku ba hadia povo nia moris iha periodu 2006 to'o 2014 nia laran. Relatoriu Kiak ne'ebe foin sae konfirma mos katak Timor-Leste halo parte nasaun sira ne'ebe hatun numeru ema kiak lalais liu iha periodu hanesan.

Sensus 2015 observa Timor-oan besik 5,000 baku odamatan iha uma-kain 204,597 atu foti informasaun kona ba sira nia situaun iha áreas hanesan edukasaun, saúde, saneamentu, kondisaun uma, asesu ba enerjia mos, we'e mos atu hemu, no seluk tan. Sensus 2015 revela mos katak agora daudaun Timor-oan 1,183, 643 moris iha rai-laran kompara ho 1,066,406 iha 2010.

Iha sira nia publikasaun darua, Diresaun Geral Estatistikas iha MF prepara ona Relatoriu SFFF 2015, ne'ebe buka atualiza no kompara ho informasaun hirak ne'ebe iha Relatoriu SFFF 2010. SFFF tau hamukuk dadus importante tebes ne'ebe relasiona diretu ho kondisaun moris uma-kain Timor-oan sira iha nivel suku.

Hatò ba ita kondisaun suku ida-idak nian oinsá iha setor edukasaun, ka habitasaun, ka saneamentu, ka enerjia mós no seluk seluk tan.

Husi relatoriu SFFF, Timor-oan ida-idak bele hetan informasaun hanesan ema nain hira maka moris iha nia Suku, hirak maka ba eskola, hirak maka labele ba eskola, hirak maka servisu, uma-kain hira mak iha asesu ba we'e mos atu hemu, nsst. Relatoriu SFFF fó mós oportunidade ba suku ida kompara nia dezempenhu ho suku seluk. Ema mós bele kompara sira nia kondisaun moris ho sira ne'ebe iha nivel munisipiu ka nasional.

Kartaun pontuasaun ne'ebe uza iha kor lima hanesan explika iha kraik, ne'ebe aplika ba setor hotuhotu. Liu husi mekanismu ne'e, hein katak relatoriu SFFF sei tulun lider lokal sira hodi jere diak liu tan sira nia suku.

Munisipalidade sira bele uza mós relatoriu SFFF atu tulun hetan resultadus. Sira bele uza informasaun iha relatoriu ne'e atu kordena asistensia husi doadores no husi sira nia rekursus rasik hanesan sira nia orsamentu. Sira bele uza mós informasaun ne'e atu monitoriza progresu iha sira nia suku, por exemplu, oinsá estudante sira nia dezempenhu iha eskola? Tansá maka barak la ramata eskola? Tansá numeru ema la hatene lé no hakerek aumenta ka la tun lalais? Nomos, ajensia nasional sira bele uza informasaun ne'e atu fo premiu ba esforsu hirak ne'ebe diak liu. Bele programa alokasaun orsamentu ba tulun sira ne'ebe presiza liu, maibe ao mesmu tempu, bele uza dadus atu recompensa dezempenhu diak.

Hirak ne'e hanesan razaun balu deit tansá produsaun dadus ne'e importante tebes ba ita nia lider hotu – husi Nasional, Munisipiu to Suku – tamba ferramenta ida ne'e bele tulun sira hola desizaun informadu no oinsá bele hadia resultadus desenvolvimentu iha sira nia area responsabilidade.

SFFF hanesan kreditu positivu ida ba dedikasaun no esforsu makas husi ekipa Diresaun Jeral Estatistikas, ne'ebe halo mehi ne'e akontese. Lori Ministeriu Finansas nia naran, hau hakarak expresa hau nia agradesimentu boot ba ita boot sira hotu - no ita nia parseiru dexenvolvimentu, liu-liu sira ne'ebe kontribui ba halo Relatoriu SFFF 2015 realidade ida.

Santina JRF Viegas Cardoso,
Ministra Finansas, RDTL
